Send Completed Form to: Ray Scotto, Executive Director, TMPAA • Email: ray.scotto@targetmkts.com

Description of Responsibilities:

Position Overview

The Program Underwriter reviews accounts to determine acceptability within company underwriting authority. Completes underwriting and pricing of accepted accounts. If account is not within underwriting authority, prepares and submits it to the carrier; negotiates pricing and coverages. Initiates and assists sales staff with developing business. Serves as primary contact for agents and brokers in servicing and quoting accounts. Serves as interface between carrier and agent. Handles account problems with the agent, company and sales staff. Plays a support role with less experienced peers.

Primary Job Objective

The primary job objectives of this position are to grow the specific program book of business profitably, development of relationships with key program production sources in conjunction with team leaders and other team members.

Required experience:

Qualifications

- Minimum of five years of commercial property and casualty underwriting experience.
 - Prior experience underwriting general liability, heavy auto and/or property a plus.
- Prefer carrier underwriting experience / training.
- Excellent oral and written communication skills.
- Strong interpersonal skills with the ability to work in a team environment; ability to work in a fast-paced environment with seasonal volume.
- Ability to work with limited supervision and strong customer service commitment.
- Proficient with Microsoft Excel and Word.
- Insurance curriculum classes a plus.
