TMPAA Charities

TMPAA Charities supports scholarships at multiple universities with the goal of bringing new talent to our field. All scholarships support students in a Risk Management or Insurance related degree program.

Kiva is an international nonprofit with a mission to connect people through lending to alleviate poverty. TMPAA Charities has made over \$35,000 in micro loans since 2009.

Target University

Thank you to Dean Thompson for generously awarding \$500 to **9 Program Administrators** for attaining the CPL Designation.

We will award a total of **15 CPL Designations** during tomorrow's General Session.

Cyber Security

The **Target University Cyber Security Course** provides the framework for keeping your company at a desired security level by assessing the risks you face, a plan to mitigate them, and deciding how you will respond in the event of a security breach.

Topics Include:

- Elements of a Cyber Security Program
- Basics of Performing a Risk Assessment
- Developing Security Policies and Procedures
- Organizational Cyber Security Awareness Training
- Regulatory Standards Compliance
- Cyber Breach Response
- Ongoing Plan Monitoring
- Cyber Insurance
